12 Form of D! 3	12.1	
13. Form of Bid	13.1	The Bidder shall fill the Form of Bid furnished in the Bidding Documents. The Bid Form must be completed without any alterations to its format and no substitute shall be accepted.
14. Bid Prices	14.1	The Bid Prices and discounts quoted by the Bidder in the Form of Bid and in the Price, Schedules shall conform to the requirements specified below in ITB Clause 14 or exclusively mentioned hereafter in the bidding documents.
	14.2	All items in the Statement of Work must be listed and priced separately in the Price Schedule(s). If a Price Schedule shows items listed but not priced, their prices shall be construed to be included in the prices of other items.
	14.3	Items not listed in the Price Schedule shall be assumed not to be included in the Bid, and provided that the Bid is still substantially responsive in their absence or due to their nominal nature, the corresponding average price of the respective item(s) of the remaining substantially responsive bidder(s) shall be construed to be the price of those missing item(s):
		Provided that:
		a) where there is only one (substantially)
		responsive bidder, or
		b) where there is provision for alternate
		proposals and the respective items are not
		listed in the other bids,
		the company may fix the price of missing items in
		accordance with market survey, and the same shall be
		considered as final price.
No. of Contrasts	14.4	The Bid price to be quoted in the Form of Bid in
		accordance with ITB 14.1 shall be the total price of the

	28.3	The company will confirm that the documents and information specified under ITB 10, 11 and 12 have been provided in the Bid. If any of these documents or information is missing, or is not provided in accordance with the Instructions to Bidders, the Bid shall be rejected.
	28.4	The PRCL may waive off any minor informality, nonconformity, or irregularity in a Bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Bidder.
	28.5	Provided that a Technical Bid is substantially responsive, the company may request the Bidder to submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities or omissions in the Technical Bid related to documentation requirements. Requesting information or documentation on such nonconformities shall not be related to any such aspect of the technical Proposal linked with the ranking of the bidders.
		Failure of the Bidder to comply with the request may result in the rejection of its Bid.
	28.6	Provided that a Technical Bid is substantially responsive, the company shall rectify quantifiable nonmaterial nonconformities or omissions related to the Financial Proposal. To this effect, the Bid Price shall be adjusted, for comparison purposes only, to reflect the price of the missing or nonconforming item or component.
	28.7	If a Bid is not substantially responsive, it will be rejected by the company and may not subsequently be evaluated for complete technical responsiveness.
29. Examination of Terms and Conditions; Technical Evaluation	29.1	The company shall examine the Bid to confirm that all terms and conditions specified in the GCC and the SCC have been accepted by the Bidder without any material deviation or reservation.
	29.2	The company shall evaluate the technical aspects of the Bid submitted in accordance with ITB 21, to confirm that all requirements specified in Section VI – Schedule of Requirements, Technical Specifications of the Bidding Documents have been met without material deviation or reservation.
	29.3	If after the examination of the terms and conditions and the technical evaluation, the company determines that the Bid is not substantially responsive in accordance with ITB 28 , it shall reject the Bid.

30. Correction of Errors	30.1	
So. Correction of Errors	30.2	Bids determined to be substantially responsive will be checked for any arithmetic errors. Errors will be corrected as follows: a) if there is a discrepancy between unit prices and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected, unless in the opinion of the company there is an obvious misplacement of the decimal point in the unit price, in which the total price as quoted shall govern and the unit price shall be corrected; b) if there is an error in a total corresponding to the addition or subtraction of sub-totals, the sub- totals shall prevail and the total shall be corrected; and c) where there is a discrepancy between the amounts in figures and in words, the amount in words will govern. d) where there is discrepancy between grand total of price schedule and amount mentioned on the Form of Bid, the amount referred in Price Schedule shall be treated as correct subject to elimination of other errors. The amount stated in the Bid will, be adjusted by the company in accordance with the above procedure for the correction of errors and, with, the concurrence of the Bidder, shall be considered as binding upon the Bidder. If the Bidder does not accept the corrected amount, its Bid will then be rejected, and the Bid Security may be forfeited or the Bid
		Securing Declaration may be executed in accordance with ITB
21 Conversion to Single	21 1	17.9.
31. Conversion to Single Currency	31.1	The currency selected for converting Bid prices to a common base for the purpose of evaluation, along with the source and date of the exchange rate, are specified in the BDS .
	31.2	The company shall evaluate and compare only the Bids determined to be substantially responsive, pursuant to ITB 28 .
	31.3	In evaluating the Technical Proposal of each Bid, the company shall use the criteria and methodologies listed in the BDS and in terms of Statement of Requirements and Technical Specifications. No other evaluation criteria or methodologies shall be permitted.
	31.4	The comparison shall be between the EXW price of the goods/services offered from within Pakistan, such price to include all costs, as well as duties and taxes.
32. Evaluation of Bids	32.1	In evaluating the Bidders, the evaluation committee will, in addition to the Bid price quoted in accordance with ITB 14.1,

	32.2	take account of one or more of the following factors as specified in the BDS, and quantified in ITB 31.5: a) Cost of Inland transportation, insurance and other costs within the Pakistan incidental to delivery of the goods to their destination b) delivery schedule offered in the Bid; c) deviations in payment schedule from that specified in the Special Conditions of Contract; d) the cost of components, mandatory spare parts, and service e) The availability in Pakistan of spare parts and after sale services for the equipment offered in the Bid f) The projected operating maintenance costs during the life of the equipment g) The performance and productivity of the equipment offered; and/or h) Other specific criteria indicated in the TBS and/or in the Technical Specifications. For factors retained in BDS, pursuant to ITB 32.5 one or more of the following quantification methods will be applied, as detailed in the BDS: a) Delivery schedule. i. The Company requires that the goods/services under the Invitation for Bids shall be delivered/ rendered (shipped) at the time specified in the Schedule of Requirements. Other specific additional criteria to be considered in the evaluation and the evaluation method shall be detailed in the BDS and/or the Technical Specifications. If these Bidding Documents allow Bidders to quote separate prices for different Lots, and the award to a single Bidder of multiple Lots, the methodology of evaluation to determine
		the lowest evaluated Lot combinations, including any
22 Domostis Dustana	22.1	discounts offered in the Form of Bid, is specified in the BDS .
33. Domestic Preference	33.1	If the BDS so specifies, the company will grant a margin of preference to certain goods/services in line with the rules, regulations, regulatory guides or instructions issued by the Authority from time to time.
34. Determination of Most Advantageous Bid	34.1	In case where the company adopts the Cost Based Evaluation Technique and, the Bid with the lowest evaluated price from amongst those which are eligible, compliant and substantially responsive shall be the Most Advantageous Bid.
35. Post-Qualification of Bidder and/or Abnormality low Financial Proposal	35.1	After determining the Most Advantageous Bid, if neither the pre-qualification was undertaken separately nor any qualification parameters were undertaken as part of determining the Most Advantageous Bid, the company shall

	carry out the next qualification of the Didden using only the
	carry out the post-qualification of the Bidder using only the requirements specified in the BDS .
35.2	Where the Bid price is considered to be abnormally low, the PRCL will perform price analysis either during determination of Most Advantageous Bid or as a part of the post-qualification process. The following process shall apply:
	 a) The company may reject a Bid if the company has determined that the price in combination with other constituent elements of the Bid is abnormally low in relation to the subject matter of the procurement (i.e. scope of the procurement or ancillary services) and raises concerns as to the capability and capacity of the respective Bidder to perform that contract. b) Before rejecting an abnormally low Bid the company shall request the Bidder an explanation of the Bid or of those parts which it considers contribute to the Bid being abnormally low; take account of the evidence provided in response to a request in writing; and
	subsequently verify the Bid or parts of the Bid being abnormally low;
	c) The decision of the company to reject a Bid and
	reasons for the decision shall be recorded in the
	procurement proceedings and promptly
	communicated to the Bidder concerned;
	d) The Company shall not incur any liability solely by
	rejecting abnormally Bid; and
	e) An abnormally low Bid means, in the light of the Company's estimate and of all the Bids submitted, the
	Bid appears to be abnormally low by not providing a
	margin for normal levels of profit.

	In order to identify the Abnormally Low Bid (ALB) following
	approaches can be considered to minimize the scope of
0.70	 subjectivity: Comparing the bid price with the cost estimate; Comparing the bid price with the bids offered by other bidders submitting substantially responsive bids; and Comparing the bid price with prices paid in similar contracts in the recent past either government- or development partner-funded.
35.3	The Company will determine to its satisfaction whether the Bidder that is selected as having submitted the most advantageous Bid is qualified to perform the contract satisfactorily, in accordance with the criteria listed in ITB 12.3.

35.4	The determination will take into account the Bidder's financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to ITB 12.3, as well as such other information as the company deems necessary and appropriate. Factors not included in these Bidding Documents shall not be used in the evaluation of the Bidders' qualifications.
35.5	The Company may seek "Certificate for Independent Price Determination" from the Bidder and the results of reference checks may be used in determining award of contract.
35.6	An affirmative determination will be a prerequisite for award of the contract to the Bidder. A negative determination will result in rejection of the Bidder's Bid, in which event the company will proceed to the next ranked bidder to make a similar determination of that Bidder's capabilities to perform satisfactorily.

F. Award of Contract

36. Criteria of Award	36.1	Subject to ITB 35 and 37, the Company will award the
